

MEMORANDUM OF AGREEMENT (MOA)  
BETWEEN  
DEPARTMENT OF THE ARMY  
AND DEFENSE FINANCE AND ACCOUNTING SERVICE

I. GAINING DoD COMPONENT: United States Army

II. LOSING DoD COMPONENT: Defense Finance and Accounting Service

III. PURPOSE: To initiate the transfer of civilian end-strengths and workyears from DFAS to Army for FMS functions supporting the U.S. Army Materiel Command (AMC) and U.S. Army Training and Doctrine Command (TRADOC). This MOA will serve as agreement to initially transfer 28 civilian end-strengths and 14 workyears for FY01 and 28 end-strengths/workyears for the subsequent FYs.

IV. MISSION AND FUNCTIONS TO BE TRANSFERRED: The workload associated with this MOA shall be the functions DFAS was performing for the Army on and prior to 1 April 2001. Essentially those functions include the following:

Obtain Foreign Military Sales (FMS) Obligation Authority (OA) & Funded Reimbursement Authority (FRA) from the Program Budget Accounting System (PBAS)  
Perform Case and Financial Reviews  
Prepare 1080s (with the exception of foreign military training for TRADOC), Deliver Reports & Update Centralized Integrated System for International Logistics (CISIL)  
Execute Case Closure Actions  
Provide Policy and Procedures

DFAS agrees to provide space, equipment and support services for Army under an Interservice Support Agreement (ISA) comparable to the cost DFAS incurs.

VI. FUNDING: The Defense Security Cooperation Agency (DSCA) will realign FMS Administrative/Logistics Support Expense (LSE) Budget Planning Levels from DFAS to Army as identified in paragraph V above. All of the DFAS-related funding being realigned will be separately identified, as an adjustment, in the DSCA FY 2002 FMS Administrative/LSE budget document issued to Army. In addition, the Army will include a supplementary exhibit in its FY 2002 FMS Administrative/LSE budget submission that prices out the total cost of the individual components being realigned. In the Army submitted FY 2002 FMS Administrative/LSE budget submission, the costs for the additional six positions of currently unperformed workload will be treated as an unfunded Army requirement and justified.
